The Honorable C. W. Bill Young  
House of Representatives  
Washington, D.C. 20515

Bill:

Just a note of appreciation for your tremendous support in protecting our critical intelligence programs during the recent budget considerations. I well appreciate the many demands upon Congress during the hectic sessions but it was very gratifying to us to know that you were in our corner. We and our nation should be grateful.

With warm regards and best wishes for the New Year.

Sincerely,
